ALEJANDRO ENET
DATA ANALYST - DATA SCIENTIST

Cel +54 351 6601016 | alejandro.enet1991@gmail.com | www.linkedin.com/in/alejandro-enet

PROFILE

Understanding of and ability to apply computer science principles relating to data representation, programming and analysis appling statistical models to detect patterns and draw inferences and conclusions from data. Master and PhD in Biological Science. With experience in data discovery, image analysis with imageJ and R. Looking for new knowledge and tools to ameliorate data analysis, visualization and decision-making.

SKILLS

- **Improved competence for data visualization resulting in +15 differents types of graphs and visualization tecnich**

- **Strong management of statisticals softwares for data analysis helping to solve stadisticals problems in 2 Phd tesis.**

- **Competence for handling structured datasets and been abble to make data extraction and clinning.**

EXPERTISE

DATA EXTRACTION AND CLEANNING

- **SQL Server**
- **R - Tydiverse**
- **Phyton - Pandas**

DATA ANALYSIS AND VISUALIZATION

- **R - ggplot2 - ggpubr**
- **Phyton - Numpy - Seaborn- matplotlib**
- **Machine learning techniques (begginer)**
- **Power BI and Tableu**

Oriented object pogramming (OPP) in PHYTON with DJANGO framework

EDUCATION

Carreer in data science and analytics. (CoderHouse) From 2022 to 2023

Phd in Biological Science. (INTA-CONICET). From 2016 to 2022

Master in Biological Sciences. (FCEFyN-UNC). From 2009 to 2016

ALEJANDRO ENET
DATA ANALYST - DATA SCIENTIST

ADDITIONAL FORMATION FOR DATA ANALYTICS AND BI

Phyton programing. CoderHouse, 2022 to date.

Introduction to R lenguaje. Lineal modeling and fundamentals of programming in R. National University of Córdoba, 2019.

Experimental design and basic statiscis. National University of Córdoba, 2019.

Diploma in strategy and executive management, 2022 to date.

OTHER SKILLS

- **Expertice in data comunication having participated in +9 congress posters.**

- **Strong collaboration skills been involved in 3 differents cientifics proyects.**

- **Competent in writing and speaking english at B1 level.**
